

PARTICIPANT LIST
21st USC High School Math Contest
Saturday, December 9, 2006

Name of High School _____

Mathematics Team Teachers _____

Please email or print below a list of the names of your team members (12 or less) as they would appear on a certificate. Each school will need at least 3 student participants in order to be eligible for team awards. Also indicate the grade-level for each student. Note that we no longer allow practice-only participants, but have doubled the number of allowable official participants. You will be able to update this list of names at a later time.
